

Your tenth board exams are about to over. After clearing the tenth standard you will be entering into the world of real competition. To full fill your future dream, being Doctor or Engineer in future, you need a good school and an excellent institute combo. But we are very sure after attending seminar by our expert you must have got the solution of your worries.

Now it's a time to know your aptitude and realize your dreams with full confidence.

Netaji Subhas Chandra Bose Military School (NSB) and Kshirja Consultancy services (KCS) is regularly organizing some events to diagnose you, your real potential about how much effort you require to crack medical and engineering entrance exam, what are your weaknesses and strengths with respect to planning, subject knowledge, and time management.

In this direction we are moving one step ahead and we expect you should also take one step ahead to convert your dream into reality by taking active participation in the below mentioned event:

Scientific Aptitude Analysis Quiz

The Quiz consists of two rounds

Round One:

In this round all participants will appear in a written test. The test will be based on general knowledge about science, scientists and science related areas. In this round 60 students will be selected for the next round.

Round Two:

In this round all selected participants in round one will be divided into 12 teams of 5 participants each by the draw. These 12 teams will further be divided into 3 batches of 4 team each by the draw again. Then there will be three rounds of the Quiz, including buzzer round and further **Grand Finale** between winners of all three batches. The highlights of Quiz are:

- The all participants of round one will be provided a certificate of participation and all participants of round two will get certificate of excellence.
- The participants of both rounds will get complimentary copy of Science by Fun, a book written by **ARVIND GUPTA Alumni of IIT Kanpur.**
- Award will be Judged and awarded by **JITESH HORA B. Tech , M.Tech (dual degree) IIT Bombay, Diploma of Business (South Australia), Renowned speaker and resident of Australia and ANANT DESHMUKH eminent educationist and president award winner.**
- **Quiz is conceptualized by MANEESH GUPTA M.Tech IIT Bombay, Renowned Physicist,** awarded by *eminent personalities like Dr. Kiran Bedi, world renowned first lady IPS officer of India and Mr. Kapil Dev.*

- Participants can accompany with their parents. **NSB group offer free stay at school campus along with breakfast, lunch and dinner to participants and their parents.**
- All the participants of final round will be given a free on campus lecture series by IIT alumni and eminent educationist on “ *How to deal with entrance exams complexity in most efficient and time bound manner to reach The Apex of career*”
- Participants of round two will be provided scholarship of upto `110000.00 and surprise awards.
